

Our organisation:

We educate and take care of children aged 1 to 6 in three groups.

We provide spacious group rooms and other rooms for the childrens' activities.

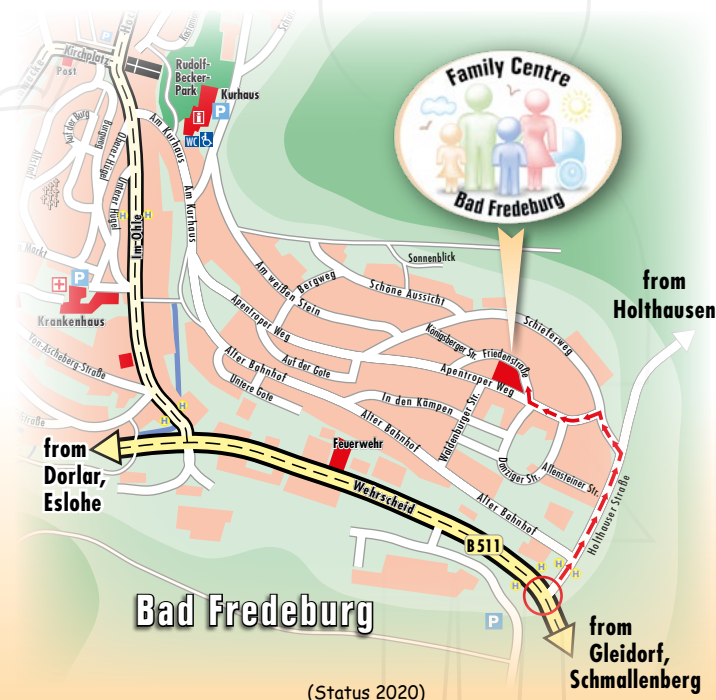

In addition we offer a gym, a quiet room and an outdoor adventure playground.

The family centre also offers optional extra rooms that can be used for meetings, educational- or counselling services or other activities.

Our Family centre...

- offers a cafeteria for families, baby groups and self-help groups
- offers counselling and information for parents (or legal guardians)
- offers activities in which parents and children can participate
- arranges networks through cooperation with various institutions
- assists in finding additional care givers (e.g. child minders, babysitters) to make professional life more compatible
- trains parents in adjusting to every day life with their children
- promotes a healthy way of life for both children and parents by offering educational opportunities
- is supported by an active parents' association

We focus on: Kneipp health education

based on the 5 pillars of Kneipp teachings

- structured daily routine with sufficient resting periods
- daily exercises for indoors and outdoors
- healthy and varied diet with fresh ingredients
- experiencing the world of herbs with all senses
- daily hydrotherapeutic treatments to strengthen the immune system
